

Acknowledgment for MIDUS II Biomarker Project (P4) Publications

Publications using the Biomarker (P4) data should acknowledge the GCRC's at each site as well as the MIDUS P01.

Sample Acknowledgments Text:

This research was supported by a grant from the National Institute on Aging (P01-AG020166) to conduct a longitudinal follow-up of the MIDUS (Midlife in the U.S.) investigation. The original study was supported by the John D. and Catherine T. MacArthur Foundation Research Network on Successful Midlife Development.

We thank the staff of the Clinical Research Centers at the University of Wisconsin-Madison, UCLA, and Georgetown University for their support in conducting this study. Supported by the following grants M01-RR023942 (Georgetown), M01-RR00865 (UCLA) from the General Clinical Research Centers Program and 1UL1RR025011 (UW) from the Clinical and Translational Science Award (CTSA) program of the National Center for Research Resources, National Institutes of Health.

The Methods section should also note that research participants were admitted to or studied on the University of Wisconsin-Clinical and Translational Research Core (UW-CTRC).
